

Sewing Lessons At The Craft Shed

The lessons will be fun and entertaining bringing people with the similar interests together to enjoy learning and swapping ideas along with guided practice.

The sewing lesson will be held 6pm to 9pm Tuesday evening at the Craft Shed. Good bathroom and kitchen facilities are available as well as secure off-street parking. We will need to comply with NSW government Covid 19 QR sign in and sanitizing procedures. Power leads and power points, ironing board and irons are provided.

Our first term will commence on Tuesday 1/2/22 for five weeks finishing on 1/3/22.

You will need to bring a sewing machine and accessories - in working order, sewing notions ie. Scissors, pins, threads, an idea of what you would like to make or a pattern, and suitable fabric/cloth but most importantly, a sense of humor.

For members of the Craft Shed lessons will be \$30 per lesson; for non-members the class fee will be \$32 per lesson payable in cash as no credit facilities are available.

Should you have any questions or wish to contact me before the classes begin, please do so. **Phone 0457359587** or Email: loneeb2340@gmail.com

Yours in sewing
Leonie Bell
